<p>Commission based deals that involve tickets being sold on behalf of a venue(s) will be considered on a case by case basis</p>	<p>These often represent poor value for money and risk a group's activity being diverted from its core purpose i.e. the interests of its membership.</p>
<p>Any non-venue related commission based deal must be approved in advance and will be considered on a case- by-case basis</p>	<p>These often represent poor value for money and risk a group's activity being diverted from its core purpose i.e. the interests of its membership</p>
